THE VERY HUNGRY CATERPILLAR

AND OTHER ERIC CARLE CLASSICS

FEB 28 - MAR 14 VIRTUAL

Mermaid Theatre's lively compilation captures the magic of three Eric Carle favourites. The hour-long triple-bill follows the adventures of The Mixed-Up Chameleon who is bored with his life as he sits about changing colour all day until he takes a trip to the zoo. His hilarious attempts to emulate the beautiful animals he sees conclude with his discovery that there is value in his own unique self. The Very Hungry Caterpillar eats his way through an amazing variety of foods on his path to becoming a beautiful butterfly. The story of Brown Bear, Brown Bear, What Do You See? has helped hundreds of thousands of toddlers to identify colours and creatures. Capturing the rhythmic text and beautiful tissue-paper collage illustrations of the classic picture book, Mermaid's adaption generates fresh appreciation of an endearing cast of characters.
